This ordinance shall be known as the Cannabis Business Tax Ordinance.

5.18.020 Authority and Purpose.

The purpose of this Ordinance is to adopt a tax, for revenue purposes, pursuant to Sections 37101 and 37100.5 of the California Government Code, upon Cannabis Businesses that engage in business in the City. The Cannabis Business Tax is levied based upon business gross receipts and square footage of plant canopy. It is not a sales and use tax, a tax upon income, or a tax upon real property.

The Cannabis Business Tax is a general tax enacted solely for general governmental purposes of the City and not for specific purposes. All of the proceeds from the tax imposed by this Chapter shall be placed in the City's general fund and be available for any legal municipal purpose.

5.18.030 Intent.

The intent of this Ordinance is to levy a tax on all Cannabis Businesses that operate in the City, regardless of whether such business would have been legal at the time this Ordinance was adopted. Nothing in this Ordinance shall be interpreted to authorize or permit any business activity that would not otherwise be legal or permissible under laws applicable to the activity at the time the activity is undertaken.

5.18.040 Definitions.

The following words and phrases shall have the meanings set forth below when used in this Chapter:

A. "Business" shall include all activities engaged in or caused to be engaged in within the City, including any commercial or industrial enterprise, trade, profession, occupation, vocation, calling, or livelihood, whether or not carried on for gain or profit, but shall not include the services rendered by an employee to his or her employer.

B. "Cannabis" means all parts of the plant Cannabis sativa Linnaeus, Cannabis indica, or Cannabis ruderalis, whether growing or not; the seeds thereof; the resin, whether crude or purified, extracted from any part of the plant; and every compound, manufacture, salt, derivative, mixture, or preparation of the plant, its seeds, or resin. D. “Canopy” means all areas occupied by any portion of a cannabis plant whether contiguous or noncontiguous on any one site. When plants occupy multiple horizontal planes (as when plants are placed on shelving above other plants) each plane shall be counted as a separate canopy area.

E. “Cannabis business” means any business activity involving cannabis, including but not limited to cultivating, transporting, distributing, manufacturing, compounding, converting, processing, preparing, storing, packaging, delivering, testing, dispensing, retailing and wholesaling of cannabis, of cannabis products or of ancillary products and accessories, whether or not carried on for gain or profit.

K. “Engaged in business as a cannabis business” means the commencing, conducting, operating, managing or carrying on of a cannabis business, whether done as owner, or by means of an officer, agent, manager, employee, or otherwise, whether operating from a fixed location in the City or coming into the City from an outside location to engage in such activities. A person shall be deemed engaged in business within the City if:

5.18.050 Tax imposed.

A. Beginning January 1, 2019, there is imposed upon each person who is engaged in business as a cannabis business a cannabis business tax. Such tax is payable regardless of whether the business has been issued a cannabis business license or permit to operate lawfully in the City or is operating unlawfully. The City's acceptance of a cannabis business tax payment from a cannabis business operating illegally will not constitute the City's approval or consent to such illegal operations.

B. The initial rate of the cannabis business tax shall be as follows:

1. For every person who is engaged in commercial cannabis cultivation in the City:
   a. Seven dollars ($7.00) annually per square foot of canopy space in a facility that uses exclusively artificial lighting.
   b. Four dollars ($4.00) annually per square foot of canopy space in a facility that uses a combination of natural and supplemental artificial lighting.
   c. Two dollars ($2.00) annually per square foot of canopy space in a facility that uses no artificial lighting.
   d. One dollar ($1.00) annually per square foot of canopy space for any nursery.

For purposes of this subdivision (B), the square feet of canopy space for a business shall be rebuttably presumed to be the maximum square footage of canopy allowed by the business's City permit for commercial cannabis cultivation, or, in the absence of a City permit, the square footage shall be the maximum square footage of canopy for commercial cannabis cultivation allowed by the state license type. Should a City permit be issued to a business which cultivates only for certain months of the year, the City shall prorate the tax as
to sufficiently reflect the period in which cultivation is occurring at the business. In no case shall canopy square footage which is authorized by the City commercial cannabis permit but not utilized for cultivation be deducted for the purpose of determining the tax for cultivation, unless the Tax Administrator is informed in writing and authorizes such reduction for the purpose of relief from the tax prior to the period for which the space will not be used, that such space will not be used.

2. For every person who engages in the operation of a testing laboratory: one percent (1%) of gross receipts.

3. For every person who engages in the retail sales of cannabis as a retailer (dispensary) or non-store front retailer (delivery) or microbusiness (retail sales): four percent (4%) of gross receipts.

4. For every person who engages in a cannabis distribution business: two percent (2%) of gross receipts.

5. For every person who engages in a cannabis manufacturing, processing, or microbusiness (non-retail), or any other type of cannabis business not described in Section (B) (1), (2), (3) or (4): two and half percent (2.5%) of gross receipts. However, cultivation for a microbusiness shall be taxed at the rate established in 5.18.050(B)(1)(a).

C. The City Council may, by resolution or ordinance, adjust the rate of the cannabis business tax. However, in no event may the City Council set any adjusted rate that exceeds the maximum rate calculated pursuant to Subdivision (D) of this Section for the date on which the adjusted rate will commence.

D. The maximum rate shall be calculated as follows:

1. For every person who is engaged in commercial cannabis cultivation in the City:

   a. Through January 1, 2021, the maximum rate shall be:

      i. Ten dollars ($10.00) annually per square foot of canopy space in a facility that uses exclusively artificial lighting.

      ii. Seven dollars ($7.00) annually per square foot of canopy space in a facility that uses a combination of natural and supplemental artificial lighting.

      iii. Four dollars ($4.00) annually per square foot of canopy space in a facility that uses no artificial lighting.

      iv. Two dollars ($2.00) annually per square foot of canopy space
for any nursery.

b. On January 1, 2022 and on each January 1 thereafter, the maximum annual tax rate per square foot of each type of canopy space shall increase by the percentage change between January of the calendar year prior to such increase and January of the calendar year of the increase in the Consumer Price Index ("CPI") for all urban consumers in the Riverside-San Bernardino-Ontario area as published by the United States Government Bureau of Labor Statistics. However, no CPI adjustment resulting in a decrease of any tax imposed by this subsection shall be made.

2. For every person who engages in the operation of a testing laboratory, the maximum tax rate shall not exceed two and a half percent (2.5%) of gross receipts.

3. For every person who engages in the retail sales of cannabis as a retailer (dispensary) or non-store front retailer (delivery business), or microbusiness (retail sales activity) the maximum tax rate shall not exceed six percent (6%) of gross receipts.

4. For every person who engages in a cannabis distribution business, the maximum tax rate shall not exceed three percent (3%) of gross receipts.

5. For every person who engages in a cannabis manufacturing, processing, or microbusiness (non-retail activity) or any other type of cannabis business not described in Section (D) (1), (2), (3) or (4), the maximum tax rate shall not exceed four percent (4%) of gross receipts. However, the maximum tax rate for cultivation for a microbusiness shall be the rate established in 5.18.050(D)(1)(a)(i), as may be increased from time to time by the provisions of 5.18.050(D)(1)(b).

5.18.060 Reporting and remittance of tax.

A. The cannabis business tax imposed by this Chapter shall be paid, in arrears, on a quarterly basis. For commercial cannabis cultivation, the tax due for each calendar quarter shall be based on the square footage of the business’s canopy space during the quarter and the rate shall be twenty-five percent (25%) of the applicable annual rate. For all other cannabis businesses activities, the tax due for each calendar quarter shall be based on the gross receipts for the quarter.

B. Each person owing cannabis business tax for a calendar quarter shall, no later than the last day of the month following the close of the calendar quarter, file with the Tax Administrator a statement of the tax owed for that calendar quarter and the basis for calculating that tax. The Tax Administrator may require that the statement be submitted on a form prescribed by the Tax
Administrator. The tax for each calendar quarter shall be due and payable on that same date that the statement for the calendar quarter is due.

C. Upon cessation of a cannabis business, tax statements and payments shall be immediately due for all calendar quarters up to the calendar quarter during which cessation occurred.

D. The Tax Administrator may, at his or her discretion, establish shorter report and payment periods for any taxpayer as the Tax Administrator deems necessary to ensure collection of the tax. The Tax Administrator may also require that a deposit, to be applied against the taxes for a calendar quarter, be made by a taxpayer at the beginning of that calendar quarter. In no event shall the deposit required by the Tax Administrator exceed the tax amount he or she projects will be owed by the taxpayer for the calendar quarter. The Tax Administrator may require that a taxpayer make payments via a cashier’s check, money order, wire transfer, or similar instrument.

E. For purposes of this section, the square feet of canopy space for a business shall be rebuttably presumed to be no less than the maximum square footage of canopy allowed by the business’s City permit for commercial cannabis cultivation, or, in the absence of a City permit, the square footage shall be the maximum square footage of canopy for commercial cannabis cultivation allowed by the state license type. In no case shall canopy square footage which is authorized by the permit or license but not utilized for cultivation be excluded from taxation unless the Tax Administrator is informed in writing, prior to the period for which the space will not be used, that such space will not be used.

5.18.070 Payments and communications – timely remittance.

Whenever any payment, statement, report, request or other communication is due, it must be received by the Tax Administrator on or before the final due date. A postmark will not be accepted as timely remittance. If the due date would fall on a Saturday, Sunday or a holiday observed by the City, the due date shall be the next regular business day on which the City is open to the public.

5.18.080 Payment - when taxes deemed delinquent.

Unless otherwise specifically provided under other provisions of this Chapter, the taxes required to be paid pursuant to this Chapter shall be deemed delinquent if not received by the Tax Administrator on or before the due date as specified in Sections 5.18.060 and 5.18.070.

5.18.090 Notice not required by the City.

The City may as a courtesy send a tax notice to the business. However, the Tax Administrator is not required to send a delinquency or other notice or bill to any person
subject to the provisions of this Chapter. Failure to send such notice or bill shall not affect the
validity of any tax or penalty due under the provisions of this Chapter.

5.18.100 Penalties and interest.

A. Any person who fails or refuses to pay any cannabis business tax required to be
paid pursuant to this Chapter on or before the due date shall pay penalties and interest as
follows:

1. A penalty equal to ten percent (10%) of the amount of the tax, in
addition to the amount of the tax, plus interest on the unpaid tax calculated from the
due date of the tax at the rate of one percent (1.0%) per month.

2. If the tax remains unpaid for a period exceeding one calendar month
beyond the due date, an additional penalty equal to twenty-five percent (25%) of the
amount of the tax, plus interest at the rate of one percent (1.0%) per month on the
unpaid tax and on the unpaid penalties.

3. Interest shall be applied at the rate of one percent (1.0%) per month on
the first day of the month for the full month and will continue to accrue monthly on the
tax and penalty until the balance is paid in full.

B. Whenever a check or electronic payment is submitted in payment of a cannabis
business tax and the payment is subsequently returned unpaid by the bank for any reason, the
taxpayer will be liable for the tax amount due plus any fees, penalties and interest as provided
for in this Section, and any other amount allowed under state law.

5.18.110 Refunds and credits.

A. No refund shall be made of any tax collected pursuant to this Chapter, except
as provided in Section 5.18.120.

B. No refund of any tax collected pursuant to this Chapter shall be made because
of the discontinuation, dissolution, or other termination of a business.

5.18.120 Refunds and procedures.

A. Whenever the amount of any cannabis business tax, penalty or interest has
been overpaid, paid more than once, or has been erroneously collected or received by the City
under this Chapter, it may be refunded to the claimant who paid the tax provided that a written
claim for refund is filed with the Tax Administrator within one (1) year of the date the tax was
originally due and payable.

B. The Tax Administrator, his or her designee or any other City officer charged
with the administration of this Chapter shall have the right to examine and audit all the books
and business records of the claimant in order to determine the eligibility of the claimant to the
claimed refund. No claim for refund shall be allowed if the claimant refuses to allow such
examination of claimant's books and business records after request by the Tax Administrator to do so.

C. In the event that the cannabis business tax was erroneously paid, and the error is attributable to the City, the City shall refund the amount of tax erroneously paid up to one (1) year from the date that the tax was paid.

5.18.130 Personal Cultivation Not Taxed.

The provisions of this Chapter shall not apply to personal cannabis cultivation as defined in the “Medicinal and Adult Use Cannabis Regulation and Safety Act.” This Chapter shall not apply to personal use of cannabis that is specifically exempted from City and state licensing requirements, that meets the definition of personal use or equivalent terminology under state law, and for which the individual receives no compensation whatsoever related to that personal use.

5.18.140 Administration of the tax.

A. It shall be the duty of the Tax Administrator to collect the taxes, penalties, fees, and perform the duties required by this Chapter.

B. For purposes of administration and enforcement of this Chapter generally, the Tax Administrator may from time to time promulgate such administrative interpretations, rules, and procedures consistent with the purpose, intent, and express terms of this Chapter as he or she deems necessary to implement or clarify such provisions or aid in enforcement.

C. The Tax Administrator may take such administrative actions as needed to administer the tax, including but not limited to:

1. Provide to all cannabis business taxpayers forms for the reporting of the tax;
2. Provide information to any taxpayer concerning the provisions of this Chapter;
3. Receive and record all taxes remitted to the City as provided in this Chapter;
4. Maintain records of taxpayer reports and taxes collected pursuant to this Chapter;
5. Assess penalties and interest to taxpayers pursuant to this Chapter;
6. Determine amounts owed and enforce collection pursuant to this Chapter.
5.18.150  Appeal procedure.

Any taxpayer aggrieved by any decision of the Tax Administrator with respect to the amount of tax, interest, penalties and fees, if any, due under this Chapter may appeal to the City Council by filing a notice of appeal with the City Clerk within thirty (30) calendar days of the serving or mailing of the determination of tax due. The City Clerk, or his or her designee, shall fix a time and place for hearing such appeal, and the City Clerk, or his or her designee, shall give notice in writing to such operator at the last known place of address. The finding of the City Council shall be final and conclusive and shall be served upon the appellant in the manner prescribed by this Chapter for service of notice of hearing. Any amount found to be due shall be immediately due and payable upon the service of the notice.

5.18.160  Enforcement - action to collect.

Any taxes, penalties and/or fees required to be paid under the provisions of this Chapter shall be deemed a debt owed to the City. Any person owing money to the City under the provisions of this Chapter shall be liable in an action brought in the name of the City for the recovery of such debt. The provisions of this Section shall not be deemed a limitation upon the right of the City to bring any other action including criminal, civil and equitable actions, based upon the failure to pay the tax, penalties and/or fees imposed by this Chapter or the failure to comply with any of the provisions of this Chapter.

5.18.170  Apportionment.

If a business subject to the tax is operating both within and outside the City, it is the intent of the City to apply the cannabis business tax so that the measure of the tax fairly reflects the proportion of the taxed activity actually carried on in the City. To the extent federal or state law requires that any tax due from any taxpayer be apportioned, the taxpayer may indicate said apportionment on his or her tax return. The Tax Administrator may promulgate administrative procedures for apportionment as he or she finds useful or necessary.

5.18.180  Constitutionality and legality.

This tax is intended to be applied in a manner consistent with the United States and California Constitutions and state law. None of the tax provided for by this Chapter shall be applied in a manner that causes an undue burden upon interstate commerce, a violation of the equal protection or due process clauses of the Constitutions of the United States or the State of California or a violation of any other provision of the California Constitution or state law. If a person believes that the tax, as applied to him or her, is impermissible under applicable law, he or she may request that the Tax Administrator release him or her from the obligation to pay the impermissible portion of the tax.

5.18.190  Audit and examination of premises and records.

A.  For the purpose of ascertaining the amount of cannabis business tax owed or verifying any representations made by any taxpayer to the City in support of his or her tax
calculation, the Tax Administrator shall have the power to inspect any location where commercial cannabis cultivation occurs and to audit and examine all books and records (including, but not limited to bookkeeping records, state and federal income tax returns, and other records relating to the gross receipts of the business) of persons engaged in cannabis businesses. In conducting such investigation, the Tax Administrator shall have the power to inspect any equipment, such as computers or point of sale machines, that may contain such records.

B. It shall be the duty of every person liable for the collection and payment to the City of any tax imposed by this Chapter to keep and preserve, for a period of at least three (3) years, all records as may be necessary to determine the amount of such tax as he or she may have been liable for the collection of and payment to the City, which records the Tax Administrator or his/her designee shall have the right to inspect at all reasonable times.

5.18.200 Other licenses, permits, taxes, fees or charges.

A. Nothing contained in this Chapter shall be deemed to repeal, amend, be in lieu of, replace or in any way affect any requirements for any City permit, permit or license required by, under or by virtue of any provision of any other Chapter of this Code or any other ordinance or resolution of the City, nor be deemed to repeal, amend, be in lieu of, replace or in any way affect any tax, fee or other charge imposed, assessed or required by, under or by virtue of any other Chapter of this Code or any other ordinance or resolution of the City. Any references made or contained in any other Chapter of this Code to any licenses, license taxes, fees, or charges, or to any schedule of license fees, shall be deemed to refer to the licenses, license taxes, fees or charges, or schedule of license fees, provided for in the other Chapter of this Code.

B. Notwithstanding subdivision A of this Section a cannabis business shall not be required to pay the license fee required by Chapter 5.04 of Title 5 of this Code so long as all of business’s activities within the City that would require payment of a license fee are activities subject to the cannabis business tax.

C. The Tax Administrator may revoke or refuse to renew the license required by Chapter 5.04 of this Code for any business that is delinquent in the payment of any tax due pursuant to this Chapter or that fails to make a deposit required by the Tax Administrator pursuant to Section 5.18.060.

5.18.210 Payment of tax does not authorize unlawful business.

A. The payment of a cannabis business tax required by this Chapter, and its acceptance by the City, shall not entitle any person to carry on any cannabis business unless the person has complied with all of the requirements of this Code and all other applicable state laws.
B. No tax paid under the provisions of this Chapter shall be construed as
authorizing the conduct or continuance of any illegal or unlawful business, or any business in
violation of any local or state law.

5.18.220 Deficiency determinations.

If the Tax Administrator is not satisfied that any statement filed as required under the
provisions of this Chapter is correct, or that the amount of tax is correctly computed, he or she
may compute and determine the amount to be paid and make a deficiency determination upon
the basis of the facts contained in the statement or upon the basis of any information in his or
her possession or that may come into his or her possession within three (3) years of the date
the tax was originally due and payable. One or more deficiency determinations of the amount
of tax due for a period or periods may be made. When a person discontinues engaging in a
business, a deficiency determination may be made at any time within three (3) years thereafter
as to any liability arising from engaging in such business whether or not a deficiency
determination is issued prior to the date the tax would otherwise be due. Whenever a
deficiency determination is made, a notice shall be given to the person concerned in the same
manner as notices of assessment are given under Section 5.18.240.

5.18.230 Failure to report—nonpayment, fraud.

A. Under any of the following circumstances, the Tax Administrator may make
and give notice of an assessment of the amount of tax owed by a person under this Chapter at
any time:

1. If the person has not filed a complete statement required under the
   provisions of this Chapter;

2. If the person has not paid the tax due under the provisions of this
   Chapter;

3. If the person has not, after demand by the Tax Administrator, filed a
   corrected statement, or furnished to the Tax Administrator adequate substantiation of
   the information contained in a statement already filed, or paid any additional amount
   of tax due under the provisions of this Chapter; or

4. If the Tax Administrator determines that the nonpayment of any
   business tax due under this Chapter is due to fraud, a penalty of twenty-five percent
   (25%) of the amount of the tax shall be added thereto in addition to penalties and
   interest otherwise stated in this Chapter and any other penalties allowed by law.

B. The notice of assessment shall separately set forth the amount of any tax
   known by the Tax Administrator to be due or estimated by the Tax Administrator, after
   consideration of all information within the Tax Administrator's knowledge concerning the
   business and activities of the person assessed, to be due under each applicable section of this
   Chapter, and shall include the amount of any penalties or interest accrued on each amount to
   the date of the notice of assessment.
5.18.240  Tax assessment - notice requirements.

The notice of assessment shall be served upon the person either by personal delivery, by overnight delivery by a nationally-recognized courier service, or by a deposit of the notice in the United States mail, postage prepaid thereon, addressed to the person at the address of the location of the business or to such other address as he or she shall register with the Tax Administrator for the purpose of receiving notices provided under this Chapter; or, should the person have no address registered with the Tax Administrator for such purpose, then to such person's last known address.
