## Voter Information Guides and mail ballots delivered for Primary Election

---

Voter Information Guides for the June 5, 2018 Statewide Primary Election were delivered to the U.S. Post Office on May 2. Mail ballots will be delivered to the U.S. Post Office for voters on the permanent mail ballot list on Wednesday, May 9.

Inside the Voter Information Guide, voters will find a Sample Ballot, as well as information about candidates, local measures, and how primaries are conducted in California. On the back cover of the Voter Information Guide, voters will find the address of their assigned polling place. Voters are encouraged to hold on to their guide until Election Day so that they can easily find their polling place.

Voters may also access personalized election information, including their Voter Information Guide and their assigned polling place, using the award-winning My Elections (M.E.) Gateway application by visiting the Elections Office website, [SBCountyElections.com](http://SBCountyElections.com).

Voters can still sign up to receive a mail ballot by filling out the Mail Ballot Application found on the back cover of their Voter Information Guide, using M.E. Gateway, downloading an application from the Elections Office website, or calling the Elections Office. The deadline to request a mail ballot is Tuesday, May 29. Voted mail ballots may be returned via the U.S. Postal Service, in person to any polling place on Election Day, or to one of the 57 mail ballot drop-off locations prior to Election Day. To find a mail ballot drop-off location, voters can use the Mail Ballot Drop-Off Map located on the Elections Office website at [SBCountyElections.com](http://SBCountyElections.com).

The Elections Office includes an 'I Voted By Mail' sticker along with every mail ballot. Mail ballot voters are encouraged to take a ballot selfie with their ballot and 'I Voted By Mail' sticker to share with friends and family on social media. #VoteReady #BallotSelfie #SBCVote2018
