SUBJECT County Counsel Analysis –Community Facilities District No. 2013-1 of the Hesperia Unified School District Special Election For Public School Facilities Financing To Be Held on June 11, 2013

The Board of Trustees of the Hesperia Unified School District ("District") has called this election to authorize Community Facilities District No. 2013-1 ("CFD No. 2013-1") to finance the cost of public school facilities by incurring bonded indebtedness in a maximum amount of \$2,750,000 and by levying a special tax on an annual basis, in an amount determined through application of the First Amended Rate and Method of Apportionment of Special Taxes adopted by the District on March 4, 2013, on all real property within CFD No. 2013-1, unless otherwise exempted. The special tax shall pay for public school facilities and for the bonded indebtedness.

If two-thirds or more of the voters voting upon the proposition within CFD No. 2013-1 vote YES, authorization to incur bonded indebtedness in a maximum amount of \$2,750,000 and to levy an annual special tax for the purposes stated, will be approved.

If less than two-thirds of the voters voting upon the proposition within CFD No. 2013-1 vote YES, CFD No. 2013-1 will not be authorized to incur bonded indebtedness or impose the special tax.

This measure will not have any effect on existing law.
