**Subject:** RE: Proposed Mail Ballot Drop Box Locations

Good Morning,

I see that the Grand Terrace Library is a mail ballot drop box location on the list. Is this mail ballot drop box just the standard cardboard boxes or is it a box that is to be installed? The reason I ask is that the Library has not discussed installing the box on the City property as they are only leasing space in our building. I just want to have a clear understanding on what is being placed at their location. If it is a more permanent box, staff will need to have a discussion with library management.

Thank you for the update.
