Subject: Proposed Polling Places and 10-Day Public Comment Period 2020 Presidential General Election

As a resident of San Bernardino County, I'm writing to express my opinion about the proposed locations of polling places.

I live in the unincorporated community of Joshua Tree (92252) and believe we should be able to vote locally in the upcoming general election. The JT population has grown in recent years to probably 10,000 residents. Making us travel to another town for in-person voting would be an unpopular decision.

Sincerely,
Ballard
