LOGIC AND ACCURACY TESTING

- Who: County of San Bernardino Registrar of Voters' Office
- What: **Logic and accuracy testing** for the City of San Bernardino Special Municipal Mail Ballot Election, scheduled for July 12, 2011
- Why: Logic and accuracy testing is a pre-election audit of the county's voting system, including ballot counting machines. State law mandates that this testing be conducted both before and after each election in the presence of observers, who certify that the test was completed successfully. As with all of our processes, this test is open to the public.
- Where: Registrar of Voters' Office, 777 E. Rialto Ave, San Bernardino CA 92415
- When: Testing will be conducted Tuesday, June 28, 2011 from 1:30 to 2:30 PM
- Contact: If you are interested in participating in the process as an observer, or have questions or comments, please call (909) 387-2083.

MICHAEL J. SCARPELLO
Registrar of Voters
