**Proponents Meet Signature Requirements to Hold a Recall Election  
in the Fontana Unified School District**

The San Bernardino County Elections Office announced today that proponents of two petitions to recall Fontana Unified School District Board Members Sophia Green and Leticia Garcia have submitted a sufficient number of valid signatures to qualify for a recall election.

The Elections Office completed the certification process as required by law, and the mandated random check of 5 percent of the signatures gathered exceeded the 110 percent validity rate required for certification. A minimum of 7,905 signatures on each petition were needed for certification.

The Elections Office will provide the Certificate of Sufficiency to the Fontana Unified School District today and it is expected to be presented to the district's board at its next board meeting. The board must issue an order stating that an election will be held to determine whether or not the board members named in the petition shall be recalled.
