Voter Registration Deadline for the 2014 Statewide General Election

Elections Office Launches My Elections (M.E.) Gateway

Monday, October 20, 2014, is the deadline for San Bernardino County residents to register to vote in the 2014 Statewide General Election. Citizens can go to www.sbcountyelections.com to register online, or they can use a new application on the website to verify their registration status. The new application, called My Elections (M.E.) Gateway, provides voters with personalized election information.

In the M.E. Gateway, registered voters can access election information such as their registration status, polling place location, voting districts, and other personalized election information. "We are very excited to offer this new application to San Bernardino County voters," said Michael Scarpello, Registrar of Voters. "We designed the M.E. Gateway to be easy to use and to provide registered voters with all of their election information in one convenient location so that they don't have to hunt for their information on our regular website."

Residents can also register to vote on paper registration forms that can be found at locations throughout San Bernardino County such as post offices, city clerks' offices, and the Department of Motor Vehicles. A full list is available on the Elections Office website.

For more information about My Elections Gateway, visit the Elections Office website, www.sbcountyelections.com, or call (909) 387-8300.
