PUBLIC NOTICE **Notice of Proposed Polling Places and 10-Day Public Comment Period** **2020 Presidential General Election**

Recognizing that many Californians will need access to in-person voting options in spite of the public health emergency, the State of California enacted a series of executive orders (N-64-20 and N-67-20) and bills (Assembly Bill 860 and Senate Bill 423) aimed to ensure the 2020 Presidential General Election is accessible, secure and safe for voters and election workers alike.

The San Bernardino County Registrar of Voters worked to secure polling places for this election over the past several months. Due to COVID-19, many of the polling places used in past elections were not available to the Registrar of Voters for this election. To address the loss of about half of the facilities, polling places used in this election will be open for four days – Saturday, October 31 through Tuesday, November 3.

Prior to finalizing polling place assignments for the 2020 Presidential General Election, the Registrar of Voters has prepared a Proposed List of Polling Places and a map of these locations. The public may review:

- A List of Proposed Polling Places at www.sbcountyelections.com/Portals/9/Elections/2020/1103/List_ProposedPollingPlaces.pdf
- A Map of Proposed Polling Places at www.sbcountyelections.com/Elections/2020/1103/MapofProposedPollingPlaces.aspx.*

Written public comments will be accepted for ten days, through 5 p.m. on September 11, 2020, by email at Communications@rov.sbcounty.gov, by fax at (909) 387-2022, and by mail or in-person at 777 E. Rialto Avenue, San Bernardino, CA 92415.

The Registrar of Voters will consider all written public comments received by 5 p.m. on September 11, 2020, and adjust the polling places to the extent deemed appropriate before finalizing the polling place assignments.
