Mail ballot return reminder for the 2016 Presidential General Election

The San Bernardino County Elections Office urges voters to return their mail ballots in time for the November 8, 2016 Presidential General Election. Voted mail ballots may be returned by mail, but must be postmarked on or before Election Day, November 8, and received within three business days following the election.

Alternatively, voters can deliver ballots to any one of 57 mail ballot drop-off locations, to one of five early voting sites, or to any of the 405 polling places on Election Day. To find a mail ballot drop-off location, voters can use the [Mail Ballot Drop-Off Map](#) located on the Elections Office website at SBCountyElections.com.

New this election, voters can return voted mail ballots using the new 24-hour mail ballot drop box located outside the Elections Office. In addition, the Elections Office has made it even easier for voters to return voted mail ballots by providing mail ballot drive-thru drop-offs at the Elections Office and the Ontario Conference Center beginning October 31, and the Victorville City Hall on Election Day.

The deadline to request a mail ballot is Tuesday, November 1. Voters can still sign up to receive a mail ballot by submitting an online application at SBCountyElections.com, by filling out the Mail Ballot Application found on the back cover of their Voter Information Guide, or by calling the Elections Office.

New this election, the Elections Office is including an 'I Voted By Mail' sticker along with every mail ballot. Mail ballot voters are encouraged to take a ballot selfie with their unmarked ballot and their 'I Voted By Mail' sticker to share with friends and family on social media.

For more information about this voting by mail, visit the Elections Office website, SBCountyElections.com, or call (909) 387-8300.
